### VOLUME 01 No. 11

From the table of the Principal.....

Teacher Education plays a vital role in shaping the future of a nation, as educators are responsible for imparting knowledge, skills, and values to the next generation. In India, one of the key institution involved in teacher education is the District Institute of Education and Training (DIET). Established under the guidance of the National Council of Teacher Education (NCTE), DIETs serve as prominent centers for teacher training and development at the district level.

DIETs hold significant importance in the teacher education system of India due to their decentralized structure and focus on grassroots-level training. These institutions aim to bridge the gap between theoretical knowledge and practical skills by providing aspiring teachers with the necessary pedagogical tools, methodologies, and subject expertise. By catering to the specific needs of each district, DIETs ensure that teachers are well-equipped to address their local communities' unique challenges and demands.

DIETs also play a significant role in providing in-service training to working teachers. These programs aim to update and upgrade the skills and knowledge of teachers in response to emerging educational trends, policies, and technologies. In-service training programs conducted by DIETs cover various aspects, including curriculum development, pedagogical innovations, ICT integration, assessment strategies, and classroom management techniques. These programs are designed to enhance the teaching capabilities of experienced teachers and promote their professional growth.

Curriculum Development and Resource Support: DIETs actively participate in curriculum development processes, ensuring that the teacher education programs align with the changing educational goals and aspirations. They collaborate with State Councils of Educational Research and Training (SCERTs) and other educational bodies to design and update pre-service and in-service teacher training curriculum frameworks. DIETs also act as resource centers by providing teaching-learning materials, reference books, and access to digital resources to facilitate effective teaching practices.

**E. Sivaperuman,**

**Lecturer**

I attended a meeting of the Organising Committee on 3.12.2025 at Excel College of Institutions, Komararapalayam, where we planned the State-Level Kalithiruvizha Competition for X-XII standard students.

On 5.12.24, visited the ICT Training for PG teachers at GBHSS Vennandur. Additionally, I observed classes at GBHSS Vennandur, GGHSS Vennandur and offered input on the methods of instruction and learning in that schools.

On 6.12.24, visited GHS Minnakal language lab. I also gave feedback on the teaching and learning processes while I was in the classroom observation. Visited GHS-Athanur to monitor language lab activities and observed classes and provided feedback on the teaching and learning processes.

On 7.12.2024, coordinated the Aasaan Koodugai-17 online voluntary program, "Useful Mobile Apps for Teachers and Students," from 3:00 pm to 4:45 pm. The resource person was Mr. R. Chandrasekaran, a BT Assistant at GHS Nathukulipatty, Kolihills. This online training session was attended by 93 teachers, who learnt a lot about practical mobile applications. For future use, the training session's video has been posted to the DIET Namakkal YouTube channel.

On 9.12.2024, I visited PUPS A. Samathuvapuram, as part of the adopting school programme a school I Throughout the visit, I observed classes and gave feedback on the activities in the classroom and the overall growth of the school.

On 10.12.2024, I visited PUMS Akkaraipatty, as part of the adopting school programme. During the visit, I observed classes and provided feedback on the teaching and learning processes, including classroom activities and the school's overall development.

On 11.12.2024, a certificate was given to GHSS Valaiyappatty's NSS students, and visited the kitchen garden.

From 12.12.24 to 13.12.24, organized teachers' action research proposals and action research work were mailed to SCERT. Additionally, DIET Namakkal hostel stock verification work was done.

On 14.12.2024, coordinated the Aasaan Koodugai-18 online voluntary program, "ICT Tools for Teaching," from 3:00 pm to 4:15 pm. Mr. P. Tamilselvan, PG Assistant at GHSS Valayappatty, served as the resource person. The 91 teachers attended online session and learnt a lot about Google Docs, Google Slides, and Gemini AI. The training session's video has been uploaded to the DIET Namakkal YouTube channel for future reference.

From 16.12.24 to 20.12.24, I edited Aasaan Koodugai videos and uploaded them on the DIET Namakkal YouTube channel. Action research tool development work was done. App development workshop preparatory work was done. School adoption forms consolidation work was done.

"AI the Deep Sea," an online voluntary programme for Aasaan Koodugai-19, was organised on December 21, 2024, from 6:00 to 7:30 p.m. Dr. Asir Julius, lecturer, DIET, Tuticorin, served as the resource person. A total of 100 teachers participated in this informative session, gaining valuable insights into AI apps and websites. The video of the training session has been posted for future use on the DIET Namakkal YouTube channel.

On 27.12.24, an app development workshop was coordinated, and it was held at DIET Namakkal. 17 School teachers from various district were participated and known to develop a mobile app (calculator). Mr. P. Arulanandam, a Best Teacher Awardee and Headmaster of GHSS Pagalpatty, served as the resource person and gave hands-on training to teachers.

On 28.12.2024, coordinated the Aasaan Koodugai-20 online voluntary program, "Useful Mobile Apps," from 6:00 pm to 8:00 pm. Mr. R. Chandrasekaran, BT Assistant, GHS Nathukulipatty, Kolihills, served as the resource person. A total of 90 teachers participated in this informative session, gaining valuable insights into useful AI mobile apps. The training session's video has been uploaded to the DIET Namakkal YouTube channel for future reference.
